

Family Service Agreement

LONG TERM PLACEMENTS

Upon the processing of the application fee, the agency placement coordinator will meet with the family to provide Client with information about hiring a nanny including tax obligations, payroll services, and the hiring processes. A work agreement will be provided for you to fill out with the candidate. This work agreement is in no way legal advice from The Nanny Connection. The work agreement should be signed by both the Client and the Candidate prior to the Candidate's first day of employment. The Nanny Connection will arrange interviews with candidates handpicked for Client, up to 3 initially. Additional candidates will be referred if needed when available. Nannies will have criminal background checks, driving records, work history, in-person agency interviews, reference checks and verification of CPR and First Aid certification. The Nanny Connection is only a referral service. You will negotiate salary, benefits, etc. with the candidates directly. The Nanny Connection can assist you in this process as needed.

When a Nanny verbally accepts Client's offer, the placement fee is due immediately to The Nanny Connection. This fee will be charged to Client's credit card within 48 hours of the nanny's verbal acceptance unless a check is postmarked or cash is received within 48 hours. Client must provide The Nanny Connection with a valid credit card number, including expiration date at the commencement of this Service Agreement as a guarantee of payment and Client hereby irrevocably authorizes The Nanny Connection to place charges on said account in accordance with this Service Agreement. Client will immediately give The Nanny Connection new credit card information should Client cancel the credit card or should Client's ability to use the credit card cease, for any reason, during the term of this Service Agreement. Once the placement fee has been charged, the nanny's file will be taken out of active status and no longer offered to other families. The candidate will continue to be referred to families until the placement fee is charged.

Client will respond in a timely manner to any inquiries from The Nanny Connection regarding their household employee's performance.

If the family and/or the household employee decide the placement is unsuccessful, The Nanny Connection will refer additional nannies once within the first 90 days of employment without additional placement fees as long as Client has complied with all aspects of this contract. This guarantee will not be honored if the nanny leaves for cause or for good reason, including, but not limited to, failure to pay, abuse, or change of job description, pay rate and/or working hours. This replacement is only offered once per placement fee. Any additional nannies hired referred by The Nanny Connection after that would incur an additional placement fee.

Client will have free membership for one year from the time of placement to the On-Call Babysitting service. Daily booking fees and hourly rates will apply. See description below:

ON-CALL BABYSITTING SERVICE

The yearly membership for this service is \$200. Client agrees to pay a daily booking fee of \$10 to the agency (or \$40 with less than 24 hours notice) for on-call and temporary referral services. Hourly rates are \$10 per hour and are paid directly to the Nanny. This rate is for the care of the Client's children only. If additional children will be present, it must be pre-arranged with The Nanny Connection and additional fees will apply. Once a candidate has been assigned to a work order, the fee will be charged to the client's credit card unless the candidate cancels. This fee is non-refundable and will be charged to client's credit card at the end of the month. If a request is canceled with less than 24 hour's notice, the client may be required to pay the candidate for the hours requested if we are not able to find her a replacement assignment. Client must pay the on-call employee for all the time they have requested in their work order and any additional time beyond that which was requested in the work order.

Clients are also responsible for reimbursing the babysitter any time she transports the children in her car at the current federal mileage rate.

Household duties an On Call Babysitter will do must be limited to the following:

- Preparing child's meals
- Bathing child as requested
- Transporting child to/from school and activities
- Washing child's dishes and cleaning table/floor as needed
- Tidying up toys, etc in the areas children played while the babysitter was there

Client agrees not to contact the candidate directly to arrange for future work requests. All work orders must be submitted through The Nanny Connection.

YOU WILL RECEIVE AN EMAIL WHEN YOUR YEARLY MEMBERSHIP IS ABOUT TO EXPIRE AND WE WILL AUTOMATICALLY RENEW YOUR MEMBERSHIP UNLESS YOU REPLY TO THAT EMAIL TO CANCEL. CLIENT IS RESPONSIBLE FOR UPDATING YOUR EMAIL ADDRESS ON YOUR PROFILE IF IT CHANGES.

Client must provide The Nanny Connection with a valid credit card number, including expiration date at the commencement of the On Call Membership as a guarantee of payment and Client hereby irrevocably authorizes The Nanny Connection to place charges on said account in accordance with this Service Agreement. Client will immediately give The Nanny Connection new credit card information should Client cancel the credit card or should Client's ability to use the credit card cease, for any reason, during the term of this Service Agreement. If a client fails to pay a nanny for hours booked on call within 24 hours of the end time of an assignment, The Nanny Connection is given permission to charge the client according to the hourly rates established by this agreement plus a 25% processing fee.
